

Shipping checklist

PURE LOGISTICS LLC / FREIGHT BROKERAGE

Gather these details before requesting a freight quote. Check each item that applies to your shipment.

01 Route and schedule

- ☐ Pickup and delivery addresses, including city, state, and ZIP code.
- ☐ Pickup date, delivery deadline, and appointment windows in local time.
- ☐ Extra stops; for recurring freight, loads per week and shipping days.

02 Freight and equipment

- ☐ Commodity, packaging, total weight in pounds, and pallet count.
- ☐ Dimensions with units; note oversized items or pallets that cannot stack.
- ☐ Equipment type: dry van, refrigerated / reefer, flatbed, or other.

03 Facility access and contacts

- ☐ Pickup and delivery contact names, phone numbers, and facility hours.
- ☐ Dock access, loading / unloading arrangements, and assistance needed.
- ☐ Gate check-in, access restrictions, and special handling instructions.

04 Refrigerated freight, when applicable

- ☐ The shipper's written temperature or range, with Fahrenheit or Celsius.
- ☐ The shipper's continuous / start-stop and trailer preparation instructions.
- ☐ Any loading, seal, temperature-record, or delivery-document requirements.

05 Ready to request a quote

- ☐ Your company name, contact name, business email, and phone number.
- ☐ Review the shipment details and note anything still to be confirmed.
